## Really Gonna Miss you

Really gonna miss you  
It's really gonna be different without you.

Time is gonna be hard and slow.  
For the rest of my life,  
I'll be thinking about you, and always will.  
Time came when you had to go,  
I know I'm really gonna miss you.

I'll miss you Sissy, My Friend.  
I'll miss you and I promise my  
Love for you will never end.

In your finest hour, I was there with you.  
Thank God for faith I made it through.

Without you, things won't be the same,  
but there's a higher power, that we answer to  
And you heard him call your name.  
Really gonna miss you, nothings the same.

Really gonna miss you, everything about you.  
Your smiling face, your presence your space.

I know you want us to be strong.  
But, I'm really gonna miss you, I know you're gone.  
To that magic place.  
No more suffering or crying. A new space

You'll be singing a brand new song,  
With a brand new walk and a brand new talk.  
Praising him all day long

I'm really gonna miss you my Sister, my Friend.  
I'll miss you always and promise,  
to love you to the very end.....

I'm really gonna miss you....

Loving Sister, Christel
